### **Color in Spinning with Carolyn Greenwood via Zoom**

Carolyn Greenwood of Greenwood Fiber Works will present a one hour program via Zoom on "Color in Spinning" starting at 11:00am. Vickie Marchand's guild in California scheduled a lecture with her last year, Vickie really enjoyed it and got lots of good information and tips. To see Carolyn's work and lovely dyed fiber check out her website <https://greenwoodfiberworks.com>. No advanced preparation is necessary for this class, but Carolyn advises that this is normally a 6-hour course with the ability for participants to try the techniques, so you should be prepared to take lots of notes as there will be lots of information to soak in. Contact Jill Robinson or Nicole Massenzio if you have questions about the lecture.

Look for an email from Angela Mann before the Saturday meeting giving the details of how to join via Zoom. If you haven't joined our virtual meetings yet because you aren't comfortable using Zoom, contact Angela for a trial run. You can even participate in the Zoom meeting on your landline phone with just audio.

Problems with one of your spinning wheels or drum carder? Questions about spinning equipment you plan on getting? Just want to speak to someone else about your fiber tools? Since we aren't getting together in person, these conversations aren't as likely to happen. We've created a list accessible only by guild members to identify the equipment you own along with your contact information. You will receive the link to the file in an email. If you can't find the email, send a request to [goldenfleecespinners@gmail.com](mailto:goldenfleecespinners@gmail.com) and it will be resent to you. Once the list is displayed (you don't need to sign in) change the green button from "Viewing" to "Editing" to add your information. Contact Joyce Lock [goldenfleecespinners@gmail.com](mailto:goldenfleecespinners@gmail.com) if you have questions.
